WSTF MEETINGS

During the week, the below meetings took place as highlighted below:

- A meeting was held between WSTF and Kenya Markets Trust (KMT) at WSTF to discuss partnerships
- Consultative meeting was held between the Ministry of Water and Sanitation, WSTF and representatives of other water sector institutions on the Ministry's 2018-2022 Strategic Plan
- A meeting was held between WSTF and German Development Bank (KfW) to discuss partnerships

JOINT ANNUAL OPERATIONS MONITORING EXERCISE (JAOME) CONTINUED

Field activities including monitoring and inspection of the Funds projects continued across the week during the Joint Annual Operations Monitoring Exercise. The purpose of this exercise is to establish the performance of WSTF investments in order to support long-term planning and robust monitoring by identifying supply and service gaps. It also gives insight on the functionality and sustainability by supporting learning on what kind of investments work and why, thereby informing future investment planning and priorities.
