SITUATION REPORT (SITREP) # 199
18TH – 22ND FEBRUARY 2019

WSTF MANAGEMENT PERFORMANCE REVIEW MEETING

Water Sector Trust Fund (WSTF) management team attended the Management Performance Review meeting held in Naivasha. The aim of the meeting was to align WSTF's strategic plan to the Ministry of Water and Sanitation's strategic plan, the Big Four Agenda Medium Term Plan (MTP) III, and Vision 2030. In addition, the management took the opportunity to review the performance of the institution.

WSTF PRESENTATION AT THE 5TH FAECAL SLUDGE MANAGEMENT CONFERENCE IN SOUTH AFRICA

The Fund took part in the 5th Faecal Sludge Management Conference that was held in Cape Town, South Africa. The Conference focused on practical solutions to sustainably manage the whole non-sewered sanitation service chain, covering the toilet, containment, emptying, transport, treatment, and reuse, as an essential component of city-wide urban sanitation services. It provided the opportunity for sector professionals, governments, policy-makers, utilities, development partners, investors, industries and service providers to coordinate, develop and share learning to provide affordable and workable solutions at scale.
