COMMISSIONING OF KATSANGANI-HURARA WATER AND SANITATION PROJECT

WaterFund's Katsangani-Hurara Water Project in Tana River County was officially commissioned by WSTF CEO, Mr. Ismail Shaiye, representatives from Danish International Development Agency (DANIDA) and Tana River County. The project, implemented by Mapato Water Users Association, was funded under the EU-SHARE Programme through DANIDA at a total cost of KSh. 9 Million. The project services over 10,000 people, spanning over 1,750 households in Hurara Sub-location. The project is now a source of reliable water for the community where they are also able to generate revenue for operations and maintenance from water sales.
