SITUATION REPORT (SITREP) # 244

6TH – 10TH JANUARY 2020

TATU KENGA REPORTS TO FORM 2

Water Sector Trust Fund under the Corporate and Social Responsibility adopted Tatu Kenga in the year 2008, where the WaterFund took up Tatu's education; signifying giving back to the community, through this little girl who had rightly depicted the plight of women, girls and water underserved areas in Kenya. In order to guarantee Tatu's future in school, in the year 2010, WaterFund invested in an education policy aimed at securing Tatu's education up to University.

Tatu's Kenga is now a form two student at Mazeras Girls' Memorial Secondary school. WaterFund has taken up the responsibility of occasionally checking up on Tatu and her family, by purchasing family home food supplies and school necessities for Tatu as she reports back to school every term.

WaterFund is keen to ensure that Tatu undertakes her education up to University.
