SITUATION REPORT (SITREP) # 248

3RD – 7TH FEBRUARY 2020

FIELD ACTIVITIES: MONITORING EXERCISES AND STAKEHOLDER ENGAGEMENTS

Field activities including monitoring and inspection of WaterFund's projects continued across the past weeks;

- Water Sector Trust Fund took part in the Cheptil Community Led Total Sanitation (CLTS) celebrations where 5 villages in Nandi County were declared Open Defecation Free (ODF).
- An implementation workshop was held for Kochodin Water Resource Users Association (WRUA) under the WaterFund funded Green Growth Employment Programme (GGEP).
- WaterFund in conjunction with the International Fund for Agricultural Development-Upper Tana Natural Resource Management Project (IFAD-UTaNRMP), held a 3rd Call training for batch two Community Forest Associations (CFAs) in Meru County. The CFAs will receive funding towards forest management.
- Monitoring of Kabaru CFA in Nyeri County. The CFA planted and raised 450,000 tree seedlings, up from an estimated 100,000 tree seedlings.
- The Water and Livelihood Programme (WLP) project under Kakuma Ward in Turkana County was officially launched by WaterFund in conjunction with the County and OXFAM. The priority areas for the WLP in Kakuma is to: Improve water services in Kakuma; and increase water access to needy areas/villages.
- Monitoring of Wanderer Community Forest Association (CFA) Tree Nursery.
