WATERFUND EMBARKS ON ITS ANNUAL OPERATIONS MONITORING EXERCISES

WaterFund embarked on its annual operations monitoring exercise to determine the sustainability of projects, by establishing whether all the infrastructures that were approved for funding were implemented, are still operational, and / or are being used for the intended purposes. The findings from the monitoring exercise inform the WaterFund, Counties, and implementing agents on operational challenges, and assist in devising mechanisms to address such issue.

Across the week, the following projects were inspected:

- Inspection of Sericho and Merti sanitation projects in in Isiolo County
- Inspection of Algani Girls primary school water and sanitation project in Isiolo County

Inspection of Sericho Sanitation Project in Biliqi Primary School

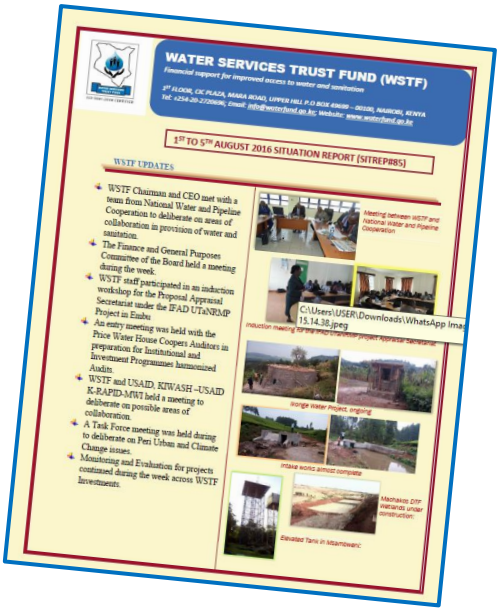

Rain water harvesting tank at Algani Girls Primary School

Inpection of 4 door ablution block in Merti Primary School
