WATERFUND EMBARKS ON ITS ANNUAL OPERATIONS MONITORING EXERCISES

WaterFund continued with its annual operations monitoring exercise to determine the sustainability of projects, by establishing whether all the infrastructures that were approved for funding were implemented, still operational, and whether they are being used for the intended purposes. The findings from the monitoring exercise informs the WaterFund, Counties, and implementing agents on operational challenges, and assists in devising mechanisms to address such issues.

Across the week, the following projects were among the ones inspected:

- Inspection of Berkads underground tank in Mudhe, Marsabit County
- Inspection of a Borehole in Kargi, Marsabit County
- Inspection of a water kiosk in Kakamega County

Inspection of Berkads underground tank in Mudhe, Marsabit County

Location site for the drilled borehole in Kargi, Marsabit County

Inspection of a water kiosk in Kakamega County
