SITUATION REPORT (SITREP) # 262
11TH – 15TH MAY 2020

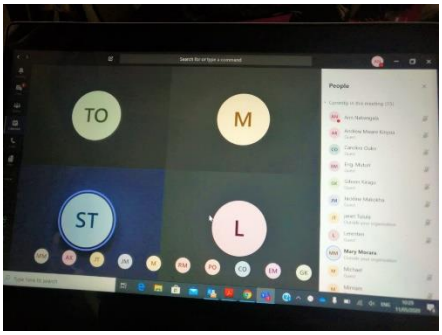

WATERFUND PARTICIPATED IN KENYA'S NATIONALLY DETERMINED CONTRIBUTIONS (NDC) UPDATE WORKSHOP- WATER SECTOR ADAPTATION FOR KENYA

Ministry of Water & Sanitation and Irrigation, Ministry of Environment and Natural Resources and the National Treasury is in the process of updating Kenya's Nationally Determined Contribution (NDC) for submission to the United Nations Framework Convention on Climate Change (UNFCCC). In accordance with the Climate Change Act (2016), and the Paris Accord, the NDC must be renewed every 5 years.

Water Sector Trust Fund (WaterFund) took part in the virtual workshop that targeted organisations that influence and support climate resilience.

FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of the WaterFund's projects continued across the week. WaterFund is pleased to note that project-implementing agencies are putting in place measures to protect their staff and members of the public from Covid-19 infections.

- WaterFund representative officially handed over ownership of a completed Decentralised Treatment Facility (DTF-50) to Olkalau Water and Sewerage Company. During the exercise, the staff on the ground were provided with Personal Protective Equipment (PPE) in response to World Health Organization (WHO) Covid-19 prevention guidelines.
- Inspection of the ongoing construction of Adadijole Water Pan took place. The water pan is being implemented under WaterFund's Green Growth Employment Programme (GGEP) with financial support from the Danish International Development Agency (DANIDA). During the inspection, the staff maintained the recommended World Health Organization (WHO) Covid-19 prevention guidelines.
- Monitoring of At-Riba Water project in Wajir East, implemented under GGEP. WaterFund representative noted that members of the community can now access clean water. This will play a big role in responding to the specific water and sanitation challenges in

the area and also ensure the community members maintain proper hygiene in line with Covid-19 prevention measures.

- WaterFund is pleased to announce the completion of VIP Pit Latrine toilet at Kipao Primary School in Tana River County.

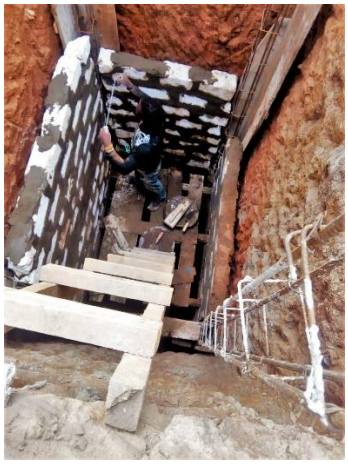

Handing over official documents of the DTF 50 to Olkalau Water and Sewerage Company. Members present maintained the recommended social distancing guidelines
