SITUATION REPORT (SITREP) # 275
10TH – 14TH AUGUST 2020

WATERFUND CONDUCTS AN OUTREACH ACTIVITIES IN KILIFI COUNTY UNDER COVID-19 EMERGENCY RESPONSE PROGRAMME

Kilifi-Mariakani Water & Sewerage Company (KIMAWASCO) under the COVID-19 Emergency Response Programme conducted an outreach activity in Kilifi County. In line with the programme, KIMAWASCO and WaterFund representatives supplied various items such as handwashing soaps, sanitizers and facemasks to project beneficiaries in Mtomondoni area in Mtwapa, Mtomondoni Primary School grounds, Mariakani Police Station and Mnarani Hospital in Kilifi County.

The items supplied will go a long way in ensuring they maintain proper hygiene in line with the World Health Organisation (WHO) guidelines on COVID-19 prevention measures.

WaterFund representative engaging a recipient of the 10,000-litre handwashing tank in Mtomondoni area, Mtwapa

Handing over of handwashing soap and hand sanitizers at Mtomondoni area, Mtwapa

Community members from Mtomondoni primary School grounds receiving handwashing soap and sanitizers

Mariakani police station receiving handwashing soap and sanitizers from WaterFund and KIMAWASCO representatives

Handing over of handwashing soaps, hand sanitizers and face masks to Nurses at Mnarani Hospital

Boda Boda operators at Kibaoni bust stage doing a handwashing demonstration after receiving handwashing soap and sanitizers from KIMAWASCO

FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of the WaterFund's projects continued across the week. WaterFund is pleased to note that project-implementing agencies are

putting in place measures to protect their staff and members of the public from COVID-19 infections.

- WaterFund under its Water and Livelihood Programme (WLP) monitored projects in Lapur Ward, Turkana County. The programme is being implemented in partnership with Action Africa Help International (AAHI).
- WaterFund monitored projects in Wajir County under its Green Growth Employment Programme (GGEP). During the exercise, the team also conducted sensitization on COVID-19 prevention measures to community members who are beneficiaries of the Adadijole water and sanitation project.
- WaterFund under its Upscaling Basic Sanitation for the Urban Poor (UBSUP) Programme conducted training to operators in charge of the Decentralized Treatment Facility (DTF) in Olkalau, Nyandarua County.
- WaterFund is pleased to announce the completion of a two-door VIP pit latrine toilet at Riba Primary School in Wajir County. The project is being implemented by Wajir Water and Sewerage Company Limited under WaterFund's GGEP Programme.
- Inspection and monitoring of a six-door VIP latrine toilet at Shimoni Primary School, Kwale County. The project is being implemented by Kwale Water and Sewerage Company under WaterFund's Joint Six Programme (J6P).

Monitoring of Water and Livelihood Programme (WLP) projects in Turkana County

Monitoring of Pasture Grass Project within a 10-acre reclaimed land in Lopuski, Turkana County under the WLP Programme

Community members from Adadijole Water and Sanitation Project being sensitized on COVID-19 Prevention measures during the monitoring exercises

On-site practical training at the DTF Facility in Olkalau, Nyandarua County

Completed two-door VIP toilet at Riba Primary School, Wajir County

Monitoring of a six-door VIP latrine toilet at Shimoni Primary School, Kwale County

BLAST FROM THE PAST: FEATURED IN SITREP #112 – WATERFUND HOSTS A DELEGATION FROM GHANA

The WaterFund's Situation Report No. 112 (SITREP #112) covered the period **15th to 19th May 2017**. Among the highlights was that WaterFund held a meeting to discuss commercial financing of projects in Kenya with Water.org and Ghana Water Credit during their exchange visit to Kenya.
