SITUATION REPORT (SITREP) # 287

2ND – 6TH NOVEMBER 2020

COMMISSIONING OF WATER AND LIVELIHOOD PROGRAMME (WLP) PROJECTS IN TURKANA COUNTY

Mr. Henrik Larsen, Head of Cooperation, Royal Danish Embassy together with Mr. Ismail Shaiye, CEO, Water Sector Trust Fund, jointly commissioned Kakuma Water Supply Project and Kakuma Sub County Hospital Incinerator in Turkana West Sub County. WaterFund received KSh. 600 million from the Government of Denmark through the Danish International Development Agency (DANIDA) to implement the Water and Livelihood Programme (WLP) in Turkana County.

The WLP implementing partners are: Oxfam, World Vision Kenya (in partnership with LOKADO), Action Africa Help International (AAHI), Amref and Norwegian Refugee Council (NRC). The programme which targets 6,000 new households aims to improve water access, sanitation, hygiene and water resources management, with concepts of livelihood through small scale agriculture and social empowerment.

In view of the above, the delegation monitored projects in Turkana County under the WLP programme which are in their last stages of implementation. In addition, during this exercise, the team paid a courtesy call to Mr. Mutua Muthama, County Commissioner Turkana County.

In attendance was a delegation from the Danish International Development Agency (DANIDA), WaterFund Board of Trustees, WLP implementing Partners, Representatives from the County Government of Turkana and WaterFund team.

FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of the WaterFund's projects continued across the week.

- Monitoring and inspection of the ongoing construction of Public Sanitation Facilities (PSF) in Kilifi, Kitui and Kajiado Counties. These projects are currently implemented under WaterFund's Ending Drought Emergency-Climate Proofed Infrastructure Programme (EDE-CPIRA) funded by the European Union.

Ongoing construction of Bamba Public Sanitation Facility (PSF) in Kilifi County

Ongoing construction of Mutomo Public Sanitation Facility (PSF) implemented by Kitui Water and Sanitation Company

Ongoing construction of Nkatu Public Sanitation Facility (PSF) implemented by Olkejuado Water and Sewerage Company

BLAST FROM THE PAST: FEATURED IN SITREP #123 – WATERFUND'S MEETING WITH THE EUROPEAN UNION AND SNV

The WaterFund's Situation Report No. 123 (SITREP #123) covered the period **31st July to 4th July 2017**. Among the highlights was that WaterFund held a meeting with European Union (EU) and Netherlands Development Organization (SNV) to deliberate on the climate proof infrastructure programme.
