SITUATION REPORT (SITREP) # 290
23RD – 27TH NOVEMBER 2020

OFFICIAL GROUND-BREAKING OF PINYINY (NTULELE) WATER PROJECT, NAROK COUNTY

H.E. Samuel Tunai, Governor Narok County, together with Mr. Ismail Shaiye CEO WaterFund, spearheaded the ground-breaking ceremony of Pinyiny (Ntulele) Water Project in Narok County. This project is under WaterFund's Joint Six Programme (J6P) with financial support from the Embassy of Finland and Embassy of Sweden at a total cost of KSh. 45 million with support from Narok County Government.

The project seeks to benefit 6,500 residents of Narok County with improved water and sanitation Services. Components of Pinyiny (Ntulele) include the construction of a masonry tank, an elevated steel tank, rising main, pump house and borehole development.

Under the J6P programme, WaterFund was allocated KSh. 129 million by the Embassy of Finland and Embassy of Sweden to support the implementation of water, sanitation and water resources management projects in Narok County. These projects seek to improve water quality and access in the rural low-income areas.

WATERFUND MEETINGS

WaterFund is pleased to note that meetings have in place measures to protect its staff and meeting participants from COVID-19 infections. Across the week, the following online meeting took place.

- WaterFund under its Ending Drought Emergency-Climate Proofed Infrastructure Programme (EDE-CPIRA) Programme, led by the CEO Mr. Ismail Shaiye, held a virtual meeting with representatives from Netherlands Development Organization (SNV) and the implementing partners. The main aim of the meeting was to discuss the second call guidelines and result areas on Public Private Community Partnerships. The EDE-CPIRA Programme has been funded by the European Union.
