# SITUATION REPORT (SITREP) # 296
## 18TH – 22ND JANUARY 2021

## WATERFUND CONDUCTS FIELD APPRAISALS IN KILIFI COUNTY

Water Sector Trust Fund (WaterFund) held meetings with representatives from Water Resources Authority (WRA) and Timboni Mjanaheri Water Resources Users Association (WRUA) in Kilifi County. The main aim of the meetings and field appraisals was to observe, validate and assess the interventions proposed as per the Timboni Mjanaheri WRUA's proposal submitted for funding.

Under the programme, Ending Drought Emergencies - Climate Proofed Infrastructure for Improved Water Supply and Sanitation in Arid and Semi - Arid Lands (ASAL) Areas (EDE-CPIRA), WaterFund was awarded a KSh. 2 Billion grant by the European Union to finance implementation of water supply and sanitation projects. Kilifi County is a beneficiary of the grant.

*Representatives from WaterFund, WRA and Timboni Mjanaheri WRUA during the introductory meeting*

*The team inspecting some of the existing infrastructure in the schools proposed for funding*

## FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of WaterFund's projects continued across the week.

- WaterFund staff spearheaded pre-triggering activities at Kamaindi Kamwimbi project in Tharaka Nithi County as part of the Community Led Total Sanitation process. Triggering refers to ways of igniting community interests in ending open defecation, usually by building simple toilets such as pit latrines. This project has been funded under WaterFund's Joint Six Programme (J6P).
