WaterFund is implementing a Conditional Liquidity Support Grant (CLSG) Programme funded by The World Bank and Government of Kenya at a total cost of KSh. 6.9 Billion. The CLSG Programme which is part of the wider National Performance Based Financing Programme aims to provide short term liquidity support to Water Service Providers to maintain operations and service levels during the COVID-19 pandemic. WaterFund will be the executing agency for the programme with Water Services Regulatory Board (WASREB) offering technical support to the programme.

In view of the above, WaterFund held a contract signing ceremony for Batch 1 Water Services Providers (WSPs) who are recipients of the grant.
