SITUATION REPORT (SITREP) # 309

19TH – 23RD APRIL 2021

WATERFUND MEETINGS

WaterFund is pleased to note that the online meetings have been put in place as a measure to protect its staff and meeting participants from COVID-19 infections. Across the week, the following online meeting took place.

- WaterFund key head of departments held a virtual meeting to discuss key issues pertaining the Water and Livelihood Programme (WLP) which is drawing to a close. The WLP programme has been funded by Danish International Development Agency (DANIDA) with a goal to improve access to water and sanitation in refugee, host and other vulnerable communities in Kenya.

FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of WaterFund's projects continued across the past weeks.

- Monitoring and inspection of the ongoing construction of Malka project in Lamu County. Malka is an opening which allows community members and livestock to access the river without being at risk of getting attacked by crocodiles. This project has been implemented by Hanshak Nyongoro Community Conservancy (HNCC) and received financial support from The Danish International Development Agency (DANIDA) at an approximate cost of KSh. 6.5 million.
- WaterFund staff monitored ongoing construction of Maktau Bus Park Public Sanitation Facility (PSF) in Taita Taveta County. This project aims to benefit approximately 4,000 passengers accessing the highway and trading centre. Maktau PSF is currently implemented under WaterFund's Ending Drought Emergencies - Climate Proofed Infrastructure Programme (EDE-CPIRA) funded by the European Union.
