SITUATION REPORT (SITREP) # 321
12TH – 16TH JULY 2021

WATERFUND PRESENTS FINANCIAL STATEMENTS TO THE PUBLIC INVESTMENT COMMITTEE AT PARLIAMENT OF KENYA

Mr. Ismail Shaiye, CEO WaterFund, together with the Chief Manager, Internal Audit and Risk Management and the Chief Manager, Finance, appeared before the Public Investment Committee (PIC) at Parliament of Kenya, on 13th July 2021. Representatives of WaterFund appeared before the committee to adduce evidence on the reports of the Auditor-General on the financial statements of WaterFund for the financial years 2004/2005 to 2018/2019.

The mandate of the PIC is to examine the reports and accounts of the public investment as submitted by the Auditor-General and examine whether the affairs of the public investments are being managed in accordance with sound financial or business principles and prudent commercial practices.

FIELD ACTIVITIES: MONITORING EXERCISES

Field activities including monitoring and inspection of WaterFund's projects continued across the past weeks.

- WaterFund Under its Upscaling Basic Sanitation for the Urban Poor (UBSUP) programme, received approximately KSh. 17 million from German Development Bank (KfW) to implement the construction of Decentralised Treatment Facility (DTF-50) model in Kakamega County. The main components of the ongoing construction will include: an operator's store/office, receiving bay, anaerobic reactor, vertical flow constructed wetland, sludge drying bed and a waste disposal unit. Once complete the DTF-50 will offer high potential of local reuse of water, nutrients and energy. This project is being implemented by Kakamega County Water & Sanitation Company (KACUWASCO).

Ongoing construction of a Decentralized Treatment Facility (DTF-50) in Kakamega County
