SITUATION REPORT (SITREP) # 332
20TH – 24TH SEPTEMBER 2021

WATERFUND EMBARKS ON A FACT-FINDING MISSION IN GARISSA COUNTY

Hon. Abdulkadir Haji, Senator, Garissa County, together with a team from Water Sector Trust Fund (WaterFund) took part in the fact-finding mission to Hulugho Centre in Garissa County. The main aim of the mission was to ascertain possible means of enhancing water supply through desalination and flocculation to existing water sources in the County.

Desalination is the removal of salts and minerals from saline water which are harmful for human consumption, into fresh water while flocculation is a water treatment process where solids form larger clusters are removed from water. These two processes will contribute in solving the looming water crisis and ensure communities access clean and safe water for drinking.

WaterFund has continuously ensured improved access of water and sanitation in Garissa County through funding of Hulugho Water and Sanitation project. This has been funded by WaterFund through Danish International Development Agency (DANIDA). In attendance were representatives from the County Government of Garissa and WaterFund.

WATERFUND CONDUCTS PROCUREMENT TRAINING FOR WRUAS IN KITUI COUNTY

WaterFund, in collaboration with Water Resources Authority (WRA), conducted an essential training on procurement procedures for Water Resource Users' Associations (WRUAs) in Kitui County. The goal of the training was to ensure the WRUAs are well informed about the required procedures and documentation processes under the Kenyan Public Procurement Act to be followed when procuring contractors, as well as documentation of activities. In attendance were representatives from Kalundu and Kauwi WRUAs, WRA and a team from WaterFund.

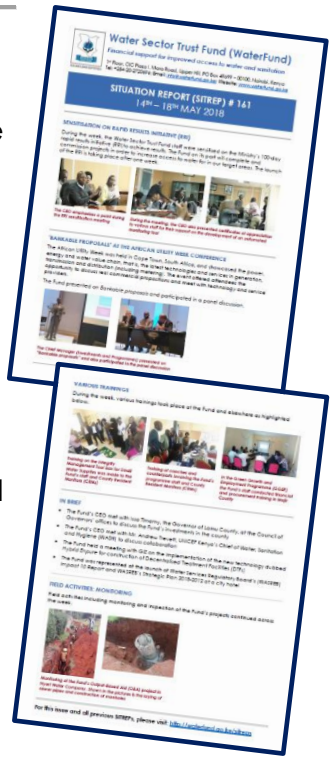

Kitui is among the seven Counties which have been funded by WaterFund through the European Union under the Ending Drought Emergencies-Climate Proofed Infrastructure (EDE-CPIRA) programme. Other Counties include: Kilifi, Baringo, Samburu, Taita Taveta, Kajiado, Mandera and West Pokot Counties.

BLAST FROM THE PAST: FEATURED IN SITREP #161 – WATERFUND PARTICIPATES IN THE AFRICAN UTILITY WEEK IN CAPE TOWN

Water Sector Trust Fund (WaterFund)

SITUATION REPORT (SITREP) # 161

14th – 18th MAY 2018

The WaterFund's Situation Report No. 161 (SITREP #161) covered the period **14th to 18th May 2018.**

Among the highlights was that the African Utility Week was held in Cape Town, South Africa, and showcased the power, energy and water value chain; that is, the latest technologies and services in generation, transmission and distribution (including metering). The event offered attendees the opportunity to discuss real commercial propositions and meet with technology and service providers.

WaterFund made a presentation on *Bankable proposals* and participated in a panel discussion.
