WATERFUND CONDUCTS A PROGRAMME REVIEW WORKSHOP IN NAKURU

WaterFund received funding from the European Union to implement the Ending Drought Emergencies-Climate Proofed Infrastructure (EDE-CPIRA) programme. The programme is currently being implemented in eight counties namely; Kilifi, Baringo, Samburu, Taita Taveta, Kajiado, Mandera, Kitui and West Pokot Counties.

In order to ensure a success in the implementation of water, sanitation and water resources in the counties, WaterFund held a programme review workshop in Nakuru County. The main aim of the of the workshop was to share the project progress, challenges, lessons learnt and best practices in the implementation process between the counties. Key participants included; representatives from Water Resources Authority (WRA), Water Service Providers (WSPs) and WaterFund.

The EDE-CPIRA programme has over the years has been at the forefront in ensuring access to safe and clean water in rural areas. This has been evident through a number of success stories documented.
