SITUATION REPORT (SITREP) # 355
14TH – 18TH MARCH 2022

WATERFUND'S MID-YEAR PERFOMANCE REVIEW FOR FINANCIAL YEAR 2021/2022 VETTED BY THE MINISTRY OF WATER, SANITATION AND IRRIGATION

Mr. Willis Ombai, Ag. CEO Water Sector Trust Fund (WaterFund) spearheaded the vetting of the WaterFund's mid-year Performance Contract (PC) for the Financial Year 2021/2022. Overseeing the exercise were representatives from the Ministry of Water Sanitation and Irrigation (MWSI) namely: George Ochieng, Economist; Roselyne Sitati, Economist; and David Mwakina, Central Planning.

The objective of mid-year review was to verify compliance to the PC and ensure the institution was on track to achieve the set targets as well highlighted areas of improvement. During the appraisal, it was noted that WaterFund recorded satisfactory performance as evaluated by the Ministry and the Public Service Performance Management and Monitoring Unit. In FY 2020/2021 WaterFund achieved a composite score of 2.5041 considered as 'Very Good".

WATERFUND HOLDS QUARTELY STAFF MEETING

On 14th March, 2022, WaterFund held its quarterly staff meeting at the Public Service Club in Upper Hill. The purpose of the meeting was for the staff to have an interactive session where they could air out their issues and get response from the management.

Speaking during the meeting was Mr. Willis Ombai, Ag. CEO WaterFund, who emphasized on the need for every staff member to uphold the institutions mandate, mission, vision and values.

During the meeting staff were also sensitized on the charter, complaints and service delivery processes of the institution and the Occupational Safety and Health Act.

HANDOVER OF NEWLY PURCHASED PROJECT VEHICLES

On 18th March 2022, WaterFund led by the Ag. CEO Mr. Willis Ombai received 3 new Toyota Land Cruisers from Toyota Kenya Limited. The purchase of these vehicles was financed by the World Bank who are also financing the implementation of WaterFund's Result Based Financing (RBF)Programme. RBF Programme supports water and sanitation projects in urban low-income areas, financed through loans from Kenyan commercial banks, which are then subsidised by WaterFund on achievement of agreed outcomes. The programme is financed through the Water Services Providers (WSPs).

The newly purchased vehicles will ensure WaterFund fulfils its mandate by accessing the underserved areas as it goes above and beyond in ensuring improved access to water and sanitation in underserved in the low-income rural and urban areas.
