WATERFUND REVIEWS THE STRATEGIC PLANNING INSTRUMENTS FOR THE FINANCIAL YEAR 2022/2023

During the week, WaterFund held a management strategic planning meeting to: develop and review Strategic Planning Instruments; review of Strategic Plan 2018-2022 implementation; documentation of challenges and lessons learnt during Strategy implementation; and re-engineer strategies for realization of the strategic plan goals.

Mr. Willis Ombai, Ag. CEO WaterFund, who graced the event, noted that, the development and reviewing of the planning strategic instruments enables for successful planning and implementation of Strategy goals; as well as enabling WaterFund to capitalize on its strengths and maximize on opportunities in the sector, to and improve on its weaknesses while mitigating measures the threats as an institution.

As part of the planning process, WaterFund Management also documented the progress, challenges, as well as lessons learnt during the previous financial year, and also set new targets for the new financial year 2022/2023.
