FORMULATION OF THE REFUGEE RESPONSE PROGRAMME IN TURKANA COUNTY

WaterFund has been implementing the Water and Livelihood Programme (WLP) in Turkana County which targets refugee and host communities in Turkana West Sub county. The WLP programme has received financial support from the Government of Denmark through the Danish International Development Agency (DANIDA).

In view of the above, The Royal Embassy of Denmark has expressed intention to continue with the refugee programming in Kakuma and recruited a consultant to support concepts that will build into a proposal for the refugee response programme. To this effect, representatives from DANIDA, WaterFund and the consultancy firm embarked on a site visit to various projects under the WLP programme and subsequently held meetings with some of the implementing partners.

BLAST FROM THE PAST: FEATURED IN SITREP #188 – WATERFUND PARTICIPATES IN THE WORLD TOILET DAY

The Water Fund's Situation Report No. 188 (SITREP #188) covered the period **19th to 23rd November 2018.** Among the highlight was that Water Sector Trust Fund (WaterFund) participated in the Annual 2018 World Toilet Day that was held in Kajiado County. The year's theme was "When nature calls we have to take action."

The event was organized by Kenya Water institute (KEWI) and was graced by Ms. Winnie Guchu, Chief Administrative Secretary, Ministry of Water, Sanitation and Irrigation. Participants in the celebration took part in a Toilet Cleaning Exercise in Constructed WaterFund-funded Toilets, which are being implemented by Oloolaiser Water and Sewerage Company.
