# SITUATION REPORT (SITREP) # 466
## 20TH – 24TH MAY 2024

### FIELD ACTIVITIES: INSPECTION AND MONITORING EXERCISES

Field activities including monitoring and inspection of WaterFund's projects continued across the past week.

- WaterFund conducted inspection of the ongoing construction of Mtembur Kitalakapel Water Supply Project in West Pokot County. Upon completion, the project is expected to improve the accessibility of clean water to more than 11,000 people. Mtembur Kitalakapel has been funded under WaterFund's Ending Drought Emergency: Climate Proofed Infrastructure programme at a total cost of KSh. 83 Million and a county contribution of KSh. 30 million.

### BLAST FROM THE PAST: FEATURED IN SITREP #242- WATERFUND LAUNCHES THE WATER AND LIVELIHOOD PROGRAMME IN TURKANA COUNTY

WaterFund's Situation Report No. 242 (SITREP #242) covered the period **9th to 13th December, 2019.** Among the highlights was that, Water Sector Trust Fund (WaterFund) received KSh. 600 million from the Government of Denmark through DANIDA to implement a Water and Livelihood Programme (WLP) in Turkana County, which targets 6,000 new households with water and sanitation.

This was in line with WaterFund's goal on Green Growth and Employment, whose main objective was to enhance water resources management. WaterFund was to work with Oxfam, World Vision Kenya, Action Africa Help International (AAHI), AMREF Health Africa, Norwegian Refugee Council (NRC) and the United Nations High Commissioner for Refugees (UNHCR) for implementation of WLP in Kakuma, Lopur, Songot, Kalobeyei and Lokichoggio wards.
