WATER SERVICES TRUST FUND SITUATION REPORT (SITREP#1)

PERIOD: 10TH TO 21ST NOVEMBER 2014

1.0. *Reporting of New Chief Executive Officer*

- The Water Services Trust Fund's new Chief Executive officer (CEO), Mr. Ismail Shaiye, reported to office on 10th November 2014.
- New CEO introduced to staff by the Ag. Chairman Mr. Parmain Narikae.
- He takes over from Eng. Jacqueline Musyoki who has been the CEO of WSTF for six years and has led the organization to high levels of growth and impact in the water and sanitation sector.
- Mr. Shaiye promises to bring to the organization invaluable experience and expertise in water, sanitation and environmental issues.
- Mr. Shaiye was introduced to the Development Partners in a meeting held at the Water Services Trust Fund on Tuesday 18th November 2014.
- The Partners expressed their appreciation and support for the new CEO.
- The Partners paid glowing tribute to outgoing CEO Eng. Musyoki for her vision and commitment in steering WSTF to its current highly reputable and dynamic status and for the impact made to target communities in water services and water resources management.
- Mr. Shaiye and Eng. Jacqueline Musyoki on Friday 21st November 2014 have travelled to Bomet County to launch Bomet Water and Sewerage Company and meet His Excellency Hon. Isaac Rutto, the Governor of Bomet County and Chairman, Council of Governors.
- The meeting with Hon. Rutto is to engage him in line with the County engagement strategy of WSTF.
