SITUATION REPORT (SITREP) # 159
30TH APRIL – 4TH MAY 2018

MANAGEMENT INFORMATION SYSTEMS MEETING

During the week, a meeting was held between programme managers, M&E and ICT departments, select system users, and technical advisors in order to review the Fund's management information systems and tools and determine the best way to address their various problems, inadequacies or functionalities that have not evolved to meet business needs.

Among the conclusions was that there is need for a systems integration project for the Fund's systems in order to design a unified project system to cater for the Fund's various programmes' project cycles, and a separate monitoring application to cater for data collection.

Meeting to discuss the Fund's MIS and monitoring systems

MEETING WITH TURKANA COUNTY EXECUTIVE MEMBER

During the week, Water Sector Trust Fund team met with Hon. Jacob Lolelea, County Executive member from Turkana County to discuss the Fund's programmes in that county.

MEETING WITH KEWASNET

During the week, Water Sector Trust Fund team met with representatives from Kenya Water and Sanitation Civil Society Network (KEWASNET) to discuss further collaboration between the two institutions.

QMS DOCUMENT REVIEW AND TOP MANAGEMENT TRAINING

As part of the Water Sector Trust Fund's ISO 9001:2015 certification road map, representatives from the Fund's various units met during the week for a review of documentation for the

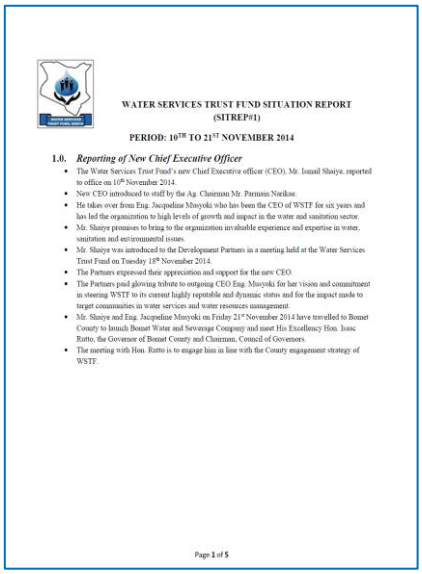

Quality Management System (QMS). In addition, top management were sensitised on the certification standard and what is required of them.

QUICK BRIEFS

- Consultant from Water and Sanitation for the Urban Poor (WSUP) met with the Fund's CEO for a debriefing on research and policy framework for the urban poor.
- A workshop was held in a city hotel on Comparative Study of Institutional Framework for Urban Sanitation.

BLAST FROM THE PAST: FEATURING SITREP #1

The Fund's very first situation report (SITREP #1) covered the period **10th to 21st November 2014.** It featured among other updates, partners' meeting to introduce the Fund's then new CEO, World Toilet Day celebrations in Oloolaiser, Rongai, and the CEO's field visits to various projects.

WATER SERVICES TRUST FUND SITUATION REPORT
(SITREP#1)

PERIOD: 10TH TO 21ST NOVEMBER 2014

1.0. *Reporting of New Chief Executive Officer*

- The Water Services Trust Fund's new Chief Executive officer (CEO), Mr. Ismail Shaiye, reported to office on 10th November 2014.
- New CEO introduced to staff by the Ag. Chairman Mr. Parmuin Nurikae.
- He takes over from Eng. Jacqueline Musyoki who has been the CEO of WSTF for six years and has led the organization to high levels of growth and impact in the water and sanitation sector.
- Mr. Shaiye promises to bring to the organization invaluable experience and expertise in water, sanitation and environmental issues.
- Mr. Shaiye was introduced to the Development Partners in a meeting held at the Water Services Trust Fund on Tuesday 18th November 2014.
- The Partners expressed their appreciation and support for the new CEO.
- The Partners paid glowing tribute to outgoing CEO Eng. Musyoki for her vision and commitment in steering WSTF to its current highly reputable and dynamic status and for the impact made to target communities in water services and water resources management.
- Mr. Shaiye and Eng. Jacqueline Musyoki on Friday 21st November 2014 have travelled to Bomet County to launch Bomet Water and Sewerage Company and meet His Excellency Hon. Isaac Rutto, the Governor of Bomet County and Chairman, Council of Governors.
- The meeting with Hon. Rutto is to engage him in line with the County engagement strategy of WSTF.
