SITUATION REPORT (SITREP) # 161
14TH – 18TH MAY 2018

SENSITISATION ON RAPID RESULTS INITIATIVE (RRI)

During the week, the Water Sector Trust Fund staff were sensitised on the Ministry's 100-day rapid results initiative (RRI)to achieve results. The Fund on its part will complete and commission projects in order to increase access to water for in our target areas. The launch of the RRI is taking place after one week.

The CEO emphasises a point during the RRI sensitisation meeting

During the meeting, the CEO also presented certificates of appreciation to various staff for their support on the development of an automated monitoring tool

'BANKABLE PROPOSALS' AT THE AFRICAN UTILITY WEEK CONFERENCE

The African Utility Week was held in Cape Town, South Africa, and showcased the power, energy and water value chain, that is, the latest technologies and services in generation, transmission and distribution (including metering). The event offered attendees the opportunity to discuss real commercial propositions and meet with technology and service providers.

The Fund presented on *Bankable proposals* and participated in a panel discussion.

The Chief Manager (Investments and Programmes) presented on "Bankable proposals" and also participated in the panel discussion

VARIOUS TRAININGS

During the week, various trainings took place at the Fund and elsewhere as highlighted below.

Training on the Integrity Management Tool box for Small Water Supplies was made to the Fund's staff and County Resident Monitors (CRMs)

Training of coaches and counterparts involving the Fund's programme staff and County Resident Monitors (CRMs)

In the Green Growth and Employment Programme (GGEP) the Fund's staff conducted financial and procurement training in Wajir County

IN BRIEF

- The Fund's CEO met with Issa Timamy, the Governor of Lamu County, at the Council of Governors' offices to discuss the Fund's investments in the county
- The Fund's CEO met with Mr. Andrew Trevett, UNICEF Kenya's Chief of Water, Sanitation and Hygiene (WASH) to discuss collaboration
- The Fund held a meeting with GIZ on the implementation of the new technology dubbed *Hybrid Enpure* for construction of Decentralised Treatment Facilities (DTFs)
- The Fund was represented at the launch of Water Services Regulatory Board's (WASREB) *Impact 10 Report* and WASREB's Strategic Plan 2018-2012 at a city hotel

FIELD ACTIVITIES: MONITORING

Field activities including monitoring and inspection of the Fund's projects continued across the week.

Monitoring of the Fund's Output-Based Aid (OBA) project in Nyeri Water Company. Shown in the pictures is the laying of sewer pipes and construction of manholes
